### RECIPROcity CONDITIONS

- (a) Each party shall advise the other in advance of each meeting of the persons designated to participate in the session including the leader of their delegation.
- (b) The working groups shall work on the basis of mutual agreement.
- (c) Minutes will be kept for each meeting of the working group. The agreed minutes, signed by the executive secretaries of the working group, will be transmitted to appropriate officials of the executive agencies of both governments.

**Key areas of cooperative activities**

The two parties will promote a program of cooperation between various responsible agencies or institutions in the two countries and such cooperation may include, inter alia, the following tasks:

**In the field of scientific and technological cooperation:**

- (a) To identify common scientific and technological interests and engage in joint research projects and other types of activities which will contribute to achieving the objectives of the program;
- (b) To coordinate programs of cooperation between agencies of the two countries and decide measures for their implementation, which may include, inter alia, the exchange of specialists and information, the holding of joint seminars and meetings on problems of common interest.

(Please note that according to the official agreement, more specific details are not available)

**Coordinated activities under the Agreement in each area with recent examples (e.g., coordinated/joint research projects, task forces, etc.)**
