### RECIPROCI- TY CONDITIONS

Article I (1) The Parties shall develop, support, and facilitate scientific and technological cooperation between their two countries on the basis of the principles of equality, reciprocity, and mutual benefit. Such cooperation shall include basic research, applied research, engineering, and higher education, as well as other science and technology areas as may be agreed by the two Parties.

(2) Cooperative activities under this Agreement may include coordinated programs and joint research projects, studies, and investigations; joint scientific courses, workshops, conferences, and symposia; and exchange of scientific and technological information and documentation in the context of cooperative activities.
